

Organisation of National Oesophago-Gastric Cancer Audit (NOGCA)

NOGCA is one of 10 national cancer audits delivered by the [National Cancer Audit Collaborating Centre \(NATCAN\)](#). NATCAN is overseen by a Project Board to ensure it fulfils the scope of the work commissioned by the Healthcare Quality Improvement Partnership (HQIP).

In addition, the NOGCA is assisted by a Clinical Reference Group (CRG), the membership of which is drawn from clinical groups involved in the management of oesophago-gastric cancer and patient organisations, and a Patient Panel.
